1. Keep your *username* and *password* confidential. CFAS regards all data as confidential.
2. Individuals choose own password. If it is forgotten; request a reminder by e-mail. Password will be sent to the e-mail provided at signup.
3. Questions about a student's grades should be directed to the teacher. Assignments are recorded in a timely manner. Major projects require additional grading time.
4. The online gradebook is not a replacement for checking planners or talking with students about grades.
5. Internet Explorer 5.0 or higher or Netscape 4.7 or higher is required. If a user experiences problems CFAS cannot provide support with browsers or Internet Service Providers.
